

# Santiam Elementary School:

## Pick Up and Drop Off Instructions:

**Parking Lot:** Park vehicle carefully. Children may be present. Walk to the entrance of the building using crosswalks. Please do not drive through the parking lot to drop off or pick up students.

**Loading Zone:** Pull up next to the curb completely, stop and load or unload on the right. Use blinker to move back into Access Lane and exit.

**Access Lane:** Drive forward carefully and pull into to the next available space in the loading zone on the right.

**Crosswalk:** Watch for crossing guard. Always stop for children and pedestrians. Stop before the white lines or after the white lines so you do not block other driver's view of children who may be entering the crosswalk area.

THANK YOU for keeping our Students Safe!
